

REVISED HEARING DATE

NOTICE OF PUBLIC HEARING

MANSFIELD WATER POLLUTION CONTROL AUTHORITY

AUGUST 22, 2014

The Town Council of the Town of Mansfield, Connecticut, acting in its capacity as the Town's Water Pollution Control Authority, will hold a public hearing in the Council Chamber of the Audrey P. Beck Building at 4 South Eagleville Road, in the Town of Mansfield, on Friday, August 22nd, 2014, at 6:00 p.m. to consider a resolution introduced at the Authority's July 28, 2014 meeting regarding the authorization of the following sanitary sewer system project at an estimated cost of \$9,000,000 and the advisability of said project:

Sanitary sewer collection system to address water contamination and wastewater disposal in the approximately 500 acre area near the intersection of Routes 44 and 195 in northern Mansfield known as "Four Corners". The project is contemplated to serve sixty-one (61) properties and to include, but is not limited to, installation of approximately 21,700 linear feet of sewer piping (which includes the collection system, a trunk sewer and a force main to the University of Connecticut's wastewater treatment plant), two submersible pump stations, related equipment and appurtenances, and related land or easement acquisitions.

The Town anticipates receiving grants administered by the State of Connecticut Department of Energy and Environmental Protection in the estimated amount of \$3,000,000 to defray in part the appropriation for the project, for an anticipated net project cost of approximately \$6,000,000. The full text of the resolution is on file in the office of the Mansfield Town Clerk.

Affected property owners and electors and citizens qualified to vote in town meetings of the Town of Mansfield, Connecticut will be heard at the public hearing concerning the proposed sewer project.

Dated at Mansfield, Connecticut this 6th day of August, 2014.

Elizabeth C. Paterson, Mayor
